Less than 60 days to go!

Just a little reminder that costs go up on June 12 (reflect on that day 50 years ago). One can pay on-line at skyline64reunion.com or drop a check to Skyline64 Reunion c/o 809 Auzerais Unit 230, San Jose, CA 95126

The schedule is evolving out with five days of activity.

Friday, August 1	6 am+	Golf at Chabot
Friday, August 1	12:30 pm	Golf at Poppy Ridge

In answer to several questions:

Remember there is a room block at the Executive Inn and Suites, 1755 Embarcadero, Oakland, CA 94606 (510) 536-6633. They provide airport pickup and will also be providing shuttle service to the Scottish Rite Center. Facilities there are great for family and small group get-togethers.

Dress: I have a red-beaded dress (which GS hates) that I would love to wear. Cannot fit into it. Therefore, wear your senior ball gown, your red pleated skirt with white blouse or whatever makes you comfortable. Remember this is a celebration about us, not a fashion show.

The Scottish Rite Center, 1547 Lakeside Drive (one way, south to north), has a no-fee parking lot in the back, accessible by Madison Street which runs one-way, north to south. There is additional street parking on both Jackson and Lakeside.

If you are romancing someone on August 2 or just want to make an extra special memory for a group of friends, you may want to make a reservation for a gondola ride across the street from SRC: gondolaservizio.com/

Skyline HS Beautification/Work Day Sunday August 3

Chabot Golf

I have made arrangements with Chabot to have unlimited tee times (starting as early as 6:00 AM)with a maximum charge of \$29 with cart and \$15 for cart only. If we have a large enough group they will give us a shot gun start. Currently, there are 7 alumni golfers committed to play and an equal number to ride cart only.

Chabot has asked that I give them our expected number of players and riders by June 25th and our final by July 18th. So , I appreciate a response by June 25th. Give me a call if you have any questions.

I still prefer using the telephone as my primary form of communication just like in 1964,
